

B3GALT6 Polyclonal Antibody

Catalog No.	4073523
Size	30ug / 100ug
Product Category	Primary Antibody
Immunogen	KLH-conjugated synthetic peptide encompassing a sequence within the center region of human B3GALT6. The exact sequence is proprietary.
Clonality	Polyclonal
Host	Rabbit
Reactivity	Human, Rat
Application	WB
Recommended Dilutions	WB (1/500 - 1/1000)
Purification	Affinity chromatography method
Storage Buffer	0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol & 0.01% Sodium azide
Format & Concentration	Liquid; 1mg/ml
UniProt ID	Q96L58
Synonyms	Beta-1,3-galactosyltransferase 6; Beta-1,3-GalTase 6; Beta3Gal-T6; Beta3GalT6; GAG GalTII; Galactosyltransferase II; Galactosylxylosylprotein 3-beta-galactosyltransferase; UDP-Gal:betaGal beta 1,3-galactosyltransferase polypeptide 6

Storage/Stability	-20°C/1 year
Shipping	Gel Packs
