

## C/EBP delta/epsilon Polyclonal Antibody

|                        |                                                                                                                                                                 |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Catalog No.            | 4071218                                                                                                                                                         |
| Size                   | 30ug / 100ug                                                                                                                                                    |
| Product Category       | Primary Antibody                                                                                                                                                |
| Immunogen              | KLH-conjugated synthetic peptide encompassing a sequence within the C-term region of human C/EBP delta/epsilon                                                  |
| Clonality              | Polyclonal                                                                                                                                                      |
| Host                   | Rabbit                                                                                                                                                          |
| Reactivity             | Human, Mouse, Rat, Bovine, Sheep                                                                                                                                |
| Application            | WB; IHC; IF/IC                                                                                                                                                  |
| Recommended Dilutions  | WB (1/500 - 1/1000); IHC (1/100 - 1/200); IF/IC (1/100 - 1/500)                                                                                                 |
| Purification           | Affinity chromatography method                                                                                                                                  |
| Storage Buffer         | 0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol & 0.01% Sodium azide                                                                     |
| Format & Concentration | Liquid; 1mg/ml                                                                                                                                                  |
| UniProt ID             | P49716; Q15744                                                                                                                                                  |
| Synonyms               | CEBPD; CCAAT/enhancer-binding protein delta; C/EBP delta; Nuclear factor NF-IL6-beta; NF-IL6-beta; CEBPE; CCAAT/enhancer-binding protein epsilon; C/EBP epsilon |
| Storage/Stability      | -20°C/1 year                                                                                                                                                    |
| Shipping               | Gel Packs                                                                                                                                                       |
