

CD144 Polyclonal Antibody

Catalog No.	4075297
Size	30ug / 100ug
Product Category	Primary Antibody
Immunogen	KLH-conjugated synthetic peptide encompassing a sequence within the center region of human CD144. The exact sequence is proprietary.
Clonality	Polyclonal
Host	Rabbit
Reactivity	Human, Mouse
Application	WB
Recommended Dilutions	WB (1/500 - 1/2000)
Purification	Affinity chromatography method
Storage Buffer	0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol & 0.01% Sodium azide
Format & Concentration	Liquid; 1mg/ml
UniProt ID	P33151
Synonyms	Cadherin-5; 7B4 antigen; Vascular endothelial cadherin; VE-cadherin; CD144
Storage/Stability	-20°C/1 year
Shipping	Gel Packs
