

CD360 Polyclonal Antibody

Catalog No.	4075827
Size	30ug / 100ug
Product Category	Primary Antibody
Immunogen	KLH-conjugated synthetic peptide encompassing a sequence within the center region of human CD360. The exact sequence is proprietary.
Clonality	Polyclonal
Host	Rabbit
Reactivity	Human, Mouse
Application	WB
Recommended Dilutions	WB (1/500 - 1/1000)
Purification	Affinity chromatography method
Storage Buffer	0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol & 0.01% Sodium azide
Format & Concentration	Liquid; 1mg/ml
UniProt ID	Q9HBE5
Synonyms	NILR; Interleukin-21 receptor; IL-21 receptor; IL-21R; Novel interleukin receptor; CD360
Storage/Stability	-20°C/1 year
Shipping	Gel Packs
