

CEP290 Polyclonal Antibody

Catalog No.	4072792
Size	30ug / 100ug
Product Category	Primary Antibody
Immunogen	KLH-conjugated synthetic peptide encompassing a sequence within the center region of human CEP290. The exact sequence is proprietary.
Clonality	Polyclonal
Host	Rabbit
Reactivity	Human, Bovine
Application	WB
Recommended Dilutions	WB (1/500 - 1/1000)
Purification	Affinity chromatography method
Storage Buffer	0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol & 0.01% Sodium azide
Format & Concentration	Liquid; 1mg/ml
UniProt ID	O15078
Synonyms	BBS14; KIAA0373; NPHP6; Centrosomal protein of 290 kDa; Cep290; Bardet-Biedl syndrome 14 protein; Cancer/testis antigen 87; CT87; Nephrocystin-6; Tumor antigen se2-2
Storage/Stability	-20°C/1 year
Shipping	Gel Packs
