

## c-Jun Polyclonal Antibody

|                        |                                                                                                                               |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------|
| Catalog No.            | 4079268                                                                                                                       |
| Size                   | 30ug / 100ug                                                                                                                  |
| Product Category       | Primary Antibody                                                                                                              |
| Immunogen              | Recombinant protein corresponding to human c-Jun.                                                                             |
| Clonality              | Polyclonal                                                                                                                    |
| Host                   | Rabbit                                                                                                                        |
| Reactivity             | Human, Mouse                                                                                                                  |
| Application            | WB; IHC                                                                                                                       |
| Recommended Dilutions  | WB (1/1000 - 1/2000); IHC (1/50 - 1/200)                                                                                      |
| Purification           | Affinity chromatography method                                                                                                |
| Storage Buffer         | 0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol & 0.01% Sodium azide                                   |
| Format & Concentration | Liquid; 1mg/ml                                                                                                                |
| UniProt ID             | P05412                                                                                                                        |
| Synonyms               | Transcription factor AP-1; Activator protein 1; AP1; Proto-oncogene c-Jun; V-jun avian sarcoma virus 17 oncogene homolog; p39 |
| Storage/Stability      | -20°C/1 year                                                                                                                  |
| Shipping               | Gel Packs                                                                                                                     |
