

## DNA Polymerase delta 1 Polyclonal Antibody

|                        |                                                                                                                                                       |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| Catalog No.            | 4071908                                                                                                                                               |
| Size                   | 30ug / 100ug                                                                                                                                          |
| Product Category       | Primary Antibody                                                                                                                                      |
| Immunogen              | KLH-conjugated synthetic peptide encompassing a sequence within the C-term region of human DNA Polymerase delta 1. The exact sequence is proprietary. |
| Clonality              | Polyclonal                                                                                                                                            |
| Host                   | Rabbit                                                                                                                                                |
| Reactivity             | Human, Mouse, Rat, Bovine                                                                                                                             |
| Application            | WB                                                                                                                                                    |
| Recommended Dilutions  | WB (1/500 - 1/1000)                                                                                                                                   |
| Purification           | Affinity chromatography method                                                                                                                        |
| Storage Buffer         | 0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol & 0.01% Sodium azide                                                           |
| Format & Concentration | Liquid; 1mg/ml                                                                                                                                        |
| UniProt ID             | P28340                                                                                                                                                |
| Synonyms               | POLD; DNA polymerase delta catalytic subunit; DNA polymerase subunit delta p125                                                                       |
| Storage/Stability      | -20°C/1 year                                                                                                                                          |
| Shipping               | Gel Packs                                                                                                                                             |
