

EGFR Polyclonal Antibody

| | |
|------------------------|---|
| Catalog No. | 4075480 |
| Size | 30ug / 100ug |
| Product Category | Primary Antibody |
| Immunogen | KLH-conjugated synthetic peptide encompassing a sequence within the center region of human EGFR |
| Clonality | Polyclonal |
| Host | Rabbit |
| Reactivity | Human, Mouse |
| Application | WB; IHC; IF/IC |
| Recommended Dilutions | WB (1/500 - 1/1000); IHC (1/50 - 1/100); IF/IC (1/100 - 1/500) |
| Purification | Affinity chromatography method |
| Storage Buffer | 0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol & 0.01% Sodium azide |
| Format & Concentration | Liquid; 1mg/ml |
| UniProt ID | P00533 |
| Synonyms | ERBB; ERBB1; HER1; Epidermal growth factor receptor; Proto-oncogene c-ErbB-1; Receptor tyrosine-protein kinase erbB-1 |
| Storage/Stability | -20°C/1 year |
| Shipping | Gel Packs |
