

MGST1 Polyclonal Antibody

Catalog No.	4075970
Size	30ug / 100ug
Product Category	Primary Antibody
Immunogen	KLH-conjugated synthetic peptide encompassing a sequence within the center region of human MGST1. The exact sequence is proprietary.
Clonality	Polyclonal
Host	Rabbit
Reactivity	Human, Rat, Bovine
Application	WB
Recommended Dilutions	WB (1/500 - 1/1000)
Purification	Affinity chromatography method
Storage Buffer	0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol & 0.01% Sodium azide
Format & Concentration	Liquid; 1mg/ml
UniProt ID	P10620
Synonyms	GST12; MGST; Microsomal glutathione S-transferase 1; Microsomal GST-1; Microsomal GST-I
Storage/Stability	-20°C/1 year
Shipping	Gel Packs
