

## MMP10 Polyclonal Antibody

|                        |  |
|------------------------|--|
| Catalog No.            | 4073271  |
| Size                   | 30ug / 100ug   |
| Product Category       | Primary Antibody   |
| Immunogen              | KLH-conjugated synthetic peptide encompassing a sequence within the center region of human MMP10. The exact sequence is proprietary. |
| Clonality              | Polyclonal   |
| Host                   | Rabbit   |
| Reactivity             | Human  |
| Application            | WB   |
| Recommended Dilutions  | WB (1/500 - 1/1000)  |
| Purification           | Affinity chromatography method   |
| Storage Buffer         | 0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol & 0.01% Sodium azide  |
| Format & Concentration | Liquid; 1mg/ml   |
| UniProt ID             | P09238   |
| Synonyms               | STMY2; Stromelysin-2; SL-2; Matrix metalloproteinase-10; MMP-10; Transin-2   |
| Storage/Stability      | -20°C/1 year   |
| Shipping               | Gel Packs  |
