

## NF-kappaB p100 Polyclonal Antibody

|                        |                                                                                                                                                                                                                             |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Catalog No.            | 4074758                                                                                                                                                                                                                     |
| Size                   | 30ug / 100ug                                                                                                                                                                                                                |
| Product Category       | Primary Antibody                                                                                                                                                                                                            |
| Immunogen              | KLH-conjugated synthetic peptide encompassing a sequence within the C-term region of human NF-kappaB p100. The exact sequence is proprietary.                                                                               |
| Clonality              | Polyclonal                                                                                                                                                                                                                  |
| Host                   | Rabbit                                                                                                                                                                                                                      |
| Reactivity             | Human, Mouse, Rat                                                                                                                                                                                                           |
| Application            | WB; IF/IC                                                                                                                                                                                                                   |
| Recommended Dilutions  | WB (1/500 - 1/1000); IF/IC (1/100 - 1/500)                                                                                                                                                                                  |
| Purification           | Affinity chromatography method                                                                                                                                                                                              |
| Storage Buffer         | 0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol & 0.01% Sodium azide                                                                                                                                 |
| Format & Concentration | Liquid; 1mg/ml                                                                                                                                                                                                              |
| UniProt ID             | Q00653                                                                                                                                                                                                                      |
| Synonyms               | LYT10; Nuclear factor NF-kappa-B p100 subunit; DNA-binding factor KBF2; H2TF1; Lymphocyte translocation chromosome 10 protein; Nuclear factor of kappa light polypeptide gene enhancer in B-cells 2; Oncogene Lys-10; Lys10 |
