

NOXIN Polyclonal Antibody

| Catalog No. | 4077294 |
|------------------------|--|
| Size | 30ug / 100ug |
| Product Category | Primary Antibody |
| Immunogen | KLH-conjugated synthetic peptide encompassing a sequence within the center region of human NOXIN. The exact sequence is proprietary. |
| Clonality | Polyclonal |
| Host | Rabbit |
| Reactivity | Human |
| Application | WB |
| Recommended Dilutions | WB (1/500 - 1/1000) |
| Purification | Affinity chromatography method |
| Storage Buffer | 0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol & 0.01% Sodium azide |
| Format & Concentration | Liquid; 1mg/ml |
| UniProt ID | Q8IXT1 |
| Synonyms | C11orf82; Nitric oxide-inducible gene protein |
| Storage/Stability | -20°C/1 year |
| Shipping | Gel Packs |
