

## PKC alpha (pT638) Polyclonal Antibody

|                        |                                                                                                      |
|------------------------|------------------------------------------------------------------------------------------------------|
| Catalog No.            | 4074782                                                                                              |
| Size                   | 30ug / 100ug                                                                                         |
| Product Category       | Primary Antibody                                                                                     |
| Immunogen              | KLH-conjugated synthetic peptide encompassing a sequence within the C-term region of human PKC alpha |
| Clonality              | Polyclonal                                                                                           |
| Host                   | Rabbit                                                                                               |
| Reactivity             | Human, Mouse, Rat, Bovine                                                                            |
| Application            | WB; IHC                                                                                              |
| Recommended Dilutions  | WB (1/500 - 1/1000); IHC (1/100 - 1/200)                                                             |
| Purification           | Affinity chromatography method                                                                       |
| Storage Buffer         | 0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol & 0.01% Sodium azide          |
| Format & Concentration | Liquid; 1mg/ml                                                                                       |
| UniProt ID             | P17252                                                                                               |
| Synonyms               | PKCA; PRKACA; Protein kinase C alpha type; PKC-A; PKC-alpha                                          |
| Storage/Stability      | -20°C/1 year                                                                                         |
| Shipping               | Gel Packs                                                                                            |
