

RIP140 (AcK158) Polyclonal Antibody

Catalog No.	4077256
Size	30ug / 100ug
Product Category	Primary Antibody
Immunogen	KLH-conjugated synthetic peptide encompassing a sequence within the center region of human RIP140 (AcK158). The exact sequence is proprietary.
Clonality	Polyclonal
Host	Rabbit
Reactivity	Human, Mouse
Application	WB
Recommended Dilutions	WB (1/500 - 1/1000)
Purification	Affinity chromatography method
Storage Buffer	0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol & 0.01% Sodium azide
Format & Concentration	Liquid; 1mg/ml
UniProt ID	P48552
Synonyms	Nuclear receptor-interacting protein 1; Nuclear factor RIP140; Receptor-interacting protein 140
Storage/Stability	-20°C/1 year
Shipping	Gel Packs
