

TGFBR2 Polyclonal Antibody

Catalog No.	4072158
Size	30ug / 100ug
Product Category	Primary Antibody
Immunogen	KLH-conjugated synthetic peptide encompassing a sequence within the center region of human TGFBR2. The exact sequence is proprietary.
Clonality	Polyclonal
Host	Rabbit
Reactivity	Human
Application	WB
Recommended Dilutions	WB (1/500 - 1/1000)
Purification	Affinity chromatography method
Storage Buffer	0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol & 0.01% Sodium azide
Format & Concentration	Liquid; 1mg/ml
UniProt ID	P37173
Synonyms	TGF-beta receptor type-2; TGFR-2; TGF-beta type II receptor; Transforming growth factor-beta receptor type II; TGF-beta receptor type II; TbetaR-II
Storage/Stability	-20°C/1 year
Shipping	Gel Packs
