

## DDX41 Polyclonal Antibody

|                        |                                                                                                        |
|------------------------|--------------------------------------------------------------------------------------------------------|
| Catalog No.            | 4081413                                                                                                |
| Size                   | 50ug / 100ug                                                                                           |
| Product Category       | Primary Antibody                                                                                       |
| Immunogen              | Recombinant full length protein of human DDX41                                                         |
| Clonality              | Polyclonal                                                                                             |
| Host                   | Rabbit                                                                                                 |
| Reactivity             | Human, Mouse, Rat                                                                                      |
| Application            | WB, IHC, IF/IC                                                                                         |
| Recommended Dilutions  | WB (1/500 - 1/2000), IHC (1/50 - 1/200), IF/IC (1/50 - 1/200)                                          |
| Purification           | Affinity chromatography method                                                                         |
| Storage Buffer         | 0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol, and 0.01% sodium azide.        |
| Format & Concentration | Liquid; 1mg/ml                                                                                         |
| UniProt ID             | Q9UJV9                                                                                                 |
| Synonyms               | ABS; Probable ATP-dependent RNA helicase DDX41; DEAD box protein 41; DEAD box protein abstrakt homolog |
| Storage/Stability      | -20°C/1 year                                                                                           |
| Shipping               | Gel Packs                                                                                              |
