

## FDXR Polyclonal Antibody

|                        |                                                                                                                                      |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| Catalog No.            | 4082946                                                                                                                              |
| Size                   | 50ug / 100ug                                                                                                                         |
| Product Category       | Primary Antibody                                                                                                                     |
| Immunogen              | Recombinant full length protein of human FDXR                                                                                        |
| Clonality              | Polyclonal                                                                                                                           |
| Host                   | Rabbit                                                                                                                               |
| Reactivity             | Human, Mouse, Rat                                                                                                                    |
| Application            | WB, IHC                                                                                                                              |
| Recommended Dilutions  | WB (1/500 - 1/2000), IHC (1/50 - 1/200)                                                                                              |
| Purification           | Affinity chromatography method                                                                                                       |
| Storage Buffer         | 0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol, and 0.01% sodium azide.                                      |
| Format & Concentration | Liquid; 1mg/ml                                                                                                                       |
| UniProt ID             | P22570                                                                                                                               |
| Synonyms               | ADXR; NADPH:adrenodoxin oxidoreductase mitochondrial; AR; Adrenodoxin reductase; Ferredoxin--NADP(+) reductase; Ferredoxin reductase |
| Storage/Stability      | -20°C/1 year                                                                                                                         |
| Shipping               | Gel Packs                                                                                                                            |
