

FHL-5 Polyclonal Antibody

Catalog No.	4084466
Size	50ug / 100ug
Product Category	Primary Antibody
Immunogen	Recombinant fusion protein of human FHL-5
Clonality	Polyclonal
Host	Rabbit
Reactivity	Human
Application	WB
Recommended Dilutions	WB (1/500 - 1/2000)
Purification	Affinity chromatography method
Storage Buffer	0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol, and 0.01% sodium azide.
Format & Concentration	Liquid; 1mg/ml
UniProt ID	Q5TD97
Synonyms	ACT; Four and a half LIM domains protein 5; FHL-5; Activator of cAMP-responsive element modulator in testis; Activator of CREM in testis
Storage/Stability	-20°C/1 year
Shipping	Gel Packs
