

GnT-IVa Polyclonal Antibody

Catalog No.	4085057
Size	50ug / 100ug
Product Category	Primary Antibody
Immunogen	Recombinant fusion protein of human GnT-IVa
Clonality	Polyclonal
Host	Rabbit
Reactivity	Human
Application	WB
Recommended Dilutions	WB (1/500 - 1/2000)
Purification	Affinity chromatography method
Storage Buffer	0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol, and 0.01% sodium azide.
Format & Concentration	Liquid; 1mg/ml
UniProt ID	Q9UM21
Synonyms	Alpha-1 3-mannosyl-glycoprotein 4-beta-N-acetylglucosaminyltransferase A; N-glycosyl-oligosaccharide-glycoprotein N-acetylglucosaminyltransferase IVa; GlcNAc-T IVa; GnT-IVa; N-acetylglucosaminyltransferase IVa; UDP-N-acetylglucosamine: alpha-1 3-D-mannoside beta-1 4-N-acetylglucosaminyltransferase IVa
Storage/Stability	-20°C/1 year
