

## Hemoglobin gamma-1 Polyclonal Antibody

|                        |                                                                                                             |
|------------------------|-------------------------------------------------------------------------------------------------------------|
| Catalog No.            | 4084655                                                                                                     |
| Size                   | 50ug / 100ug                                                                                                |
| Product Category       | Primary Antibody                                                                                            |
| Immunogen              | KLH-conjugated synthetic peptide of human Hemoglobin gamma-1                                                |
| Clonality              | Polyclonal                                                                                                  |
| Host                   | Rabbit                                                                                                      |
| Reactivity             | Human, Mouse, Rat                                                                                           |
| Application            | WB, IHC                                                                                                     |
| Recommended Dilutions  | WB (1/500 - 1/2000), IHC (1/50 - 1/200)                                                                     |
| Purification           | Affinity chromatography method                                                                              |
| Storage Buffer         | 0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol, and 0.01% sodium azide.             |
| Format & Concentration | Liquid; 1mg/ml                                                                                              |
| UniProt ID             | P69891                                                                                                      |
| Synonyms               | Hemoglobin subunit gamma-1; Gamma-1-globin; Hb F Agamma; Hemoglobin gamma-1 chain; Hemoglobin gamma-A chain |
| Storage/Stability      | -20°C/1 year                                                                                                |
| Shipping               | Gel Packs                                                                                                   |
