

Lamin B Receptor Polyclonal Antibody

Catalog No.	4081219
Size	50ug / 100ug
Product Category	Primary Antibody
Immunogen	Recombinant full length protein of human Lamin B Receptor
Clonality	Polyclonal
Host	Rabbit
Reactivity	Human, Mouse
Application	WB, IHC, IF/IC
Recommended Dilutions	WB (1/500 - 1/2000), IHC (1/50 - 1/200), IF/IC (1/50 - 1/200)
Purification	Affinity chromatography method
Storage Buffer	0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol, and 0.01% sodium azide.
Format & Concentration	Liquid; 1mg/ml
UniProt ID	Q14739
Synonyms	Lamin-B receptor; Integral nuclear envelope inner membrane protein; LMN2R
Storage/Stability	-20°C/1 year
Shipping	Gel Packs
