

MTR Polyclonal Antibody

| | |
|------------------------|--|
| Catalog No. | 4085141 |
| Size | 50ug / 100ug |
| Product Category | Primary Antibody |
| Immunogen | Recombinant fusion protein of human MTR |
| Clonality | Polyclonal |
| Host | Rabbit |
| Reactivity | Human, Mouse |
| Application | WB |
| Recommended Dilutions | WB (1/500 - 1/2000) |
| Purification | Affinity chromatography method |
| Storage Buffer | 0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol, and 0.01% sodium azide. |
| Format & Concentration | Liquid; 1mg/ml |
| UniProt ID | Q99707 |
| Synonyms | Methionine synthase; 5-methyltetrahydrofolate--homocysteine methyltransferase; Vitamin-B12 dependent methionine synthase; MS |
| Storage/Stability | -20°C/1 year |
| Shipping | Gel Packs |
