

## NDUFA5 Polyclonal Antibody

|                        |                                                                                                                                                                   |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Catalog No.            | 4082958                                                                                                                                                           |
| Size                   | 50ug / 100ug                                                                                                                                                      |
| Product Category       | Primary Antibody                                                                                                                                                  |
| Immunogen              | Recombinant full length protein of human NDUFA5                                                                                                                   |
| Clonality              | Polyclonal                                                                                                                                                        |
| Host                   | Rabbit                                                                                                                                                            |
| Reactivity             | Human, Mouse, Rat                                                                                                                                                 |
| Application            | WB, IHC                                                                                                                                                           |
| Recommended Dilutions  | WB (1/500 - 1/2000), IHC (1/50 - 1/200)                                                                                                                           |
| Purification           | Affinity chromatography method                                                                                                                                    |
| Storage Buffer         | 0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol, and 0.01% sodium azide.                                                                   |
| Format & Concentration | Liquid; 1mg/ml                                                                                                                                                    |
| UniProt ID             | Q16718                                                                                                                                                            |
| Synonyms               | NADH dehydrogenase [ubiquinone] 1 alpha subcomplex subunit 5; Complex I subunit B13; Complex I-13kD-B; CI-13kD-B; NADH-ubiquinone oxidoreductase 13 kDa-B subunit |
| Storage/Stability      | -20°C/1 year                                                                                                                                                      |
| Shipping               | Gel Packs                                                                                                                                                         |
