

P protein Polyclonal Antibody

Catalog No.	4082122
Size	50ug / 100ug
Product Category	Primary Antibody
Immunogen	Recombinant full length protein of human P protein
Clonality	Polyclonal
Host	Rabbit
Reactivity	Human, Mouse
Application	WB
Recommended Dilutions	WB (1/500 - 1/2000)
Purification	Affinity chromatography method
Storage Buffer	0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol, and 0.01% sodium azide.
Format & Concentration	Liquid; 1mg/ml
UniProt ID	Q04671
Synonyms	D15S12; P; P protein; Melanocyte-specific transporter protein; Pink-eyed dilution protein homolog
Storage/Stability	-20°C/1 year
Shipping	Gel Packs
