

## Tim17 Polyclonal Antibody

|                        |                                                                                                                                              |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------|
| Catalog No.            | 4081384                                                                                                                                      |
| Size                   | 50ug / 100ug                                                                                                                                 |
| Product Category       | Primary Antibody                                                                                                                             |
| Immunogen              | Recombinant full length protein of human Tim17                                                                                               |
| Clonality              | Polyclonal                                                                                                                                   |
| Host                   | Rabbit                                                                                                                                       |
| Reactivity             | Human, Mouse, Rat                                                                                                                            |
| Application            | WB, IHC, IF/IC                                                                                                                               |
| Recommended Dilutions  | WB (1/500 - 1/2000), IHC (1/50 - 1/200), IF/IC (1/10 - 1/100)                                                                                |
| Purification           | Affinity chromatography method                                                                                                               |
| Storage Buffer         | 0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol, and 0.01% sodium azide.                                              |
| Format & Concentration | Liquid; 1mg/ml                                                                                                                               |
| UniProt ID             | Q99595                                                                                                                                       |
| Synonyms               | MIMT17; TIM17; TIM17A; TIMM17; Mitochondrial import inner membrane translocase subunit Tim17-A; Inner membrane preprotein translocase Tim17a |
| Storage/Stability      | -20°C/1 year                                                                                                                                 |
| Shipping               | Gel Packs                                                                                                                                    |
