

## V5-Tag polyclonal antibody

|                      |                                                           |
|----------------------|-----------------------------------------------------------|
| Catalog No.          | 4079009                                                   |
| Size                 | 30ug / 100ug                                              |
| Product Category     | Tag Antibody                                              |
| Immunogen            | KLH-conjugated synthetic peptide CGKIPNPLLGLDST           |
| Clonality            | Polyclonal                                                |
| Host                 | Rabbit                                                    |
| Reactivity           | Species independent                                       |
| Application          | WB; ELISA                                                 |
| Recommended Dilution | WB (1/2000 - 1/5000); ELISA: use assay dependent dilution |
| Purification         | Affinity chromatography method                            |
| Storage Buffer       | PBS (pH 7.3) with 0.2% BSA & 0.02% Sodium azide           |
| Format/Concentration | Liquid; 1mg/ml                                            |
| Synonyms             | GKIPNPLLGLDST Tag; Rev epitope Tag                        |
| Storage/Stability    | -20°C/1 year                                              |
| Shipping             | Gel Packs                                                 |
