

## VSV-G-Tag monoclonal antibody

|                      |                                                    |
|----------------------|----------------------------------------------------|
| Catalog No.          | 4210005                                            |
| Size                 | 50ug / 100ug                                       |
| Product Category     | Tag Antibody                                       |
| Immunogen            | A synthetic peptide coupled to KLH                 |
| Clonality            | Monoclonal                                         |
| Host                 | Mouse                                              |
| Reactivity           | Species independent                                |
| Application          | WB; IP; IF                                         |
| Recommended Dilution | WB 1:10000-15000; IP 1:100-300; IF 1:500-2000      |
| Purification         | Affinity chromatography method                     |
| Storage Buffer       | PBS (pH7.3) with 0.03% Proclin300 and 50% Glycerol |
| Format/Concentration | Liquid; 1mg/ml                                     |
| Synonyms             | VSV Tag; VSVG Tag                                  |
| Storage/Stability    | -20°C/1 year                                       |
| Shipping             | Gel Packs                                          |
