

Sulfadiazine (SDZ) ELISA kit

This kit is based on Enzyme Linked Immunosorbent Assay (ELISA) for the detection of Sulfadiazine (SDZ) residues in various samples. All the necessary reagents alongwith pre-coated (12 x 8) 96-well micro-plate/plates are supplied in the kit.

Catalog No.	392055
Size	96 Test
Product Category	Drug Residue ELISA
Sensitivity	1 ppb
Sample Source	Fish, Shrimp
Storage/Stability	2 ~ 8°/1 year
Shipping	Ambient
