

## Creatine phosphate disodium salt [98%]

|                  |                                       |
|------------------|---------------------------------------|
| Catalog No.      | 56905642                              |
| Size             | 1g                                    |
| Product Category | Fine Chemical                         |
| CAS No.          | 922-32-7                              |
| Mol. Formula     | $C_4H_8N_3O_5P \cdot 2Na \cdot 4H_2O$ |
| Mol. Weight      | 327.14                                |
