

## Sodium pyruvate [99%]

|                  |                                                |
|------------------|------------------------------------------------|
| Catalog No.      | 56914121                                       |
| Size             | 100g                                           |
| Product Category | Fine Chemical                                  |
| CAS No.          | 113-24-6                                       |
| Mol. Formula     | C <sub>3</sub> H <sub>3</sub> NaO <sub>3</sub> |
| Mol. Weight      | 110.04                                         |
