

## Recombinant Human ESRRG protein

|                    |                                                                       |
|--------------------|-----------------------------------------------------------------------|
| Catalog No.        | 5086265                                                               |
| Size               | 10ug / 50ug                                                           |
| Product Category   | Recombinant Protein                                                   |
| Target             | ESRRG                                                                 |
| Locus ID           | P62508                                                                |
| UniProt ID         | P62508                                                                |
| Expressed Sequence | 1-350aa                                                               |
| Expression Host    | E.coli                                                                |
| Tag Fusion         | 6x His Tag at the N-terminus                                          |
| Mol. Weight        | 39 kDa                                                                |
| Purity             | >85%                                                                  |
| Purification       | NI-NTA affinity purification                                          |
| Formulation        | Lyophilized, 0.2um filtered solution of Tris-HCl (pH 8.0)             |
| Reconstitution     | Reconstitute with distilled PBS                                       |
| Synonyms           | estrogen-related receptor gamma (ESRRG); ERR3; ERRG2; KIAA0832; NR3B3 |
| Storage/Stability  | -20°C for 2-3 years                                                   |
| Shipping           | Gel Packs                                                             |
