

## Recombinant Human FARSA protein

|                    |                                                                             |
|--------------------|-----------------------------------------------------------------------------|
| Catalog No.        | 5086842                                                                     |
| Size               | 10ug / 50ug                                                                 |
| Product Category   | Recombinant Protein                                                         |
| Target             | FARCE                                                                       |
| Locus ID           | 2193                                                                        |
| UniProt ID         | Q9Y285                                                                      |
| Expressed Sequence | 1-350aa                                                                     |
| Expression Host    | E.coli                                                                      |
| Tag Fusion         | 6x His Tag at the N-terminus                                                |
| Mol. Weight        | 57.6 kDa                                                                    |
| Purity             | >85%                                                                        |
| Purification       | NI-NTA affinity purification                                                |
| Formulation        | Lyophilized, 0.2um filtered solution of Tris-HCl (pH 8.0)                   |
| Reconstitution     | Reconstitute with distilled PBS                                             |
| Reactivity         | Human                                                                       |
| Synonyms           | phenylalanyl-tRNA synthetase, alpha subunit (FARCE); FARS;<br>FARSL; FARSLA |
| Storage/Stability  | -20°C for 2-3 years                                                         |
| Shipping           | Gel Packs                                                                   |
