

## Recombinant Human KRT7 protein (N-His)

|                    |                                                                                                              |
|--------------------|--------------------------------------------------------------------------------------------------------------|
| Catalog No.        | 5082430                                                                                                      |
| Size               | 10ug / 50ug                                                                                                  |
| Product Category   | Recombinant Protein                                                                                          |
| Target             | KRT7                                                                                                         |
| Locus ID           | 3855                                                                                                         |
| UniProt ID         | P08729                                                                                                       |
| Expressed Sequence | 88-399aa                                                                                                     |
| Expression Host    | E.coli                                                                                                       |
| Tag                | 6x His Tag at the N-terminus                                                                                 |
| Mol. Weight        | 36 kDa                                                                                                       |
| Purity             | >85%                                                                                                         |
| Purification       | NI-NTA affinity purification                                                                                 |
| Formulation        | Lyophilized, 0.2um filtered solution of Tris-HCl (pH 8.0)                                                    |
| Reconstitution     | Reconstitute with distilled PBS                                                                              |
| Reactivity         | Human, Mouse, Rat, Bovine, Gorilla                                                                           |
| Synonyms           | keratin 7 (KRT7); CK 7; CK7; Cytokeratin 7; K2C7; K7; keratin 7; KRT7; Sarcolectin; SCL; Type II keratin Kb7 |
| Storage/Stability  | -20°C for 2-3 years                                                                                          |
| Shipping           | Gel Packs                                                                                                    |
