

## Recombinant Human LZTR1 protein

|                    |                                                              |
|--------------------|--------------------------------------------------------------|
| Catalog No.        | 5086814                                                      |
| Size               | 10ug / 50ug                                                  |
| Product Category   | Recombinant Protein                                          |
| Target             | LZTR1                                                        |
| Locus ID           | 8216                                                         |
| UniProt ID         | Q8N653                                                       |
| Expressed Sequence | 1-350aa                                                      |
| Expression Host    | E.coli                                                       |
| Tag Fusion         | 6x His Tag at the N-terminus                                 |
| Mol. Weight        | 39.8 kDa                                                     |
| Purity             | >85%                                                         |
| Purification       | NI-NTA affinity purification                                 |
| Formulation        | Lyophilized, 0.2um filtered solution of Tris-HCl (pH 8.0)    |
| Reconstitution     | Reconstitute with distilled PBS                              |
| Reactivity         | Human                                                        |
| Synonyms           | leucine-zipper-like transcription regulator 1 (LZTR1); TCFL2 |
| Storage/Stability  | -20°C for 2-3 years                                          |
| Shipping           | Gel Packs                                                    |
