

## Recombinant Human MED1 protein

|                    |                                                                                                                  |
|--------------------|------------------------------------------------------------------------------------------------------------------|
| Catalog No.        | 5085447                                                                                                          |
| Size               | 10ug / 50ug                                                                                                      |
| Product Category   | Recombinant Protein                                                                                              |
| Target             | MED1                                                                                                             |
| Locus ID           | 5469                                                                                                             |
| UniProt ID         | Q15648                                                                                                           |
| Expressed Sequence | 1-350aa                                                                                                          |
| Expression Host    | E.coli                                                                                                           |
| Tag Fusion         | 6x His Tag at the N-terminus                                                                                     |
| Mol. Weight        | 39 kDa                                                                                                           |
| Purity             | >85%                                                                                                             |
| Purification       | NI-NTA affinity purification                                                                                     |
| Formulation        | Lyophilized, 0.2um filtered solution of Tris-HCl (pH 8.0)                                                        |
| Reconstitution     | Reconstitute with distilled PBS                                                                                  |
| Reactivity         | Human, Mouse, Fruit fly, Orangutan                                                                               |
| Synonyms           | mediator complex subunit 1 (MED1); CRSP1; CRSP200; DRIP205; DRIP230; PBP; PPARBP; PPARGBP; RB18A; TRAP220; TRIP2 |
| Storage/Stability  | -20°C for 2-3 years                                                                                              |
| Shipping           | Gel Packs                                                                                                        |
