

## Recombinant Human POLR2D protein

|                    |                                                                                                   |
|--------------------|---------------------------------------------------------------------------------------------------|
| Catalog No.        | 5084179                                                                                           |
| Size               | 10ug / 50ug                                                                                       |
| Product Category   | Recombinant Protein                                                                               |
| Target             | POLR2D                                                                                            |
| Locus ID           | 5433                                                                                              |
| UniProt ID         | O15514                                                                                            |
| Expressed Sequence | 1-142aa                                                                                           |
| Expression Host    | E.coli                                                                                            |
| Tag Fusion         | 6x His Tag at the N-terminus                                                                      |
| Mol. Weight        | 16 kDa                                                                                            |
| Purity             | >85%                                                                                              |
| Purification       | NI-NTA affinity purification                                                                      |
| Formulation        | Lyophilized, 0.2um filtered solution of Tris-HCl (pH 8.0)                                         |
| Reconstitution     | Reconstitute with distilled PBS                                                                   |
| Reactivity         | Human, Mouse                                                                                      |
| Synonyms           | polymerase (RNA) II (DNA directed) polypeptide D (POLR2D);<br>RNA polymerase II subunit B4; RPB16 |
| Storage/Stability  | -20°C for 2-3 years                                                                               |
| Shipping           | Gel Packs                                                                                         |
