

## Recombinant Human TXNDC3 protein

|                    |                                                                   |
|--------------------|-------------------------------------------------------------------|
| Catalog No.        | 5087026                                                           |
| Size               | 10ug / 50ug                                                       |
| Product Category   | Recombinant Protein                                               |
| Target             | TXNDC3                                                            |
| Locus ID           | 51314                                                             |
| UniProt ID         | Q8N427                                                            |
| Expressed Sequence | 1-350aa                                                           |
| Expression Host    | E.coli                                                            |
| Tag Fusion         | 6x His Tag at the N-terminus                                      |
| Mol. Weight        | 40.2 kDa                                                          |
| Purity             | >85%                                                              |
| Purification       | NI-NTA affinity purification                                      |
| Formulation        | Lyophilized, 0.2um filtered solution of Tris-HCl (pH 8.0)         |
| Reconstitution     | Reconstitute with distilled PBS                                   |
| Reactivity         | Human                                                             |
| Synonyms           | thioredoxin domain containing 3 (spermatozoa) (TXNDC3);<br>SPTRX2 |
| Storage/Stability  | -20°C for 2-3 years                                               |
| Shipping           | Gel Packs                                                         |
