

## Davidson's Fixative

---

Davidson's fixative is a rapid fixative especially suited for preparing tumors, bone marrow specimens, gynecological material, fatty breasts, and tissue biopsies. Also used for testicular biopsy and overnight fixation of fatty lymph nodes. Additionally, Davidson's fixative is the fixative of choice for whole eye fixation, providing optimal tissue preservation conditions while avoiding retinal detachment.

Catalog No.	505065
Size	500mL
Product Category	Immuno Reagent
Storage/Stability	Ambient/1 year
Shipping	Ambient
