

## MEK (Methionine-Enkephalin) ELISA Kit

|                   |                                                                                |
|-------------------|--------------------------------------------------------------------------------|
| Catalog No.       | 3095760                                                                        |
| Size              | 96 Tests                                                                       |
| Product Category  | ELISA (Quantitative)                                                           |
| Reactivity        | General                                                                        |
| Sample Type       | Serum, Plasma, Cell lysates, Cell culture supernates & other biological fluids |
| Assay Method      | Competitive Inhibition                                                         |
| Assay Duration    | 2 hours                                                                        |
| Sensitivity       | 77 pg/mL                                                                       |
| Standard          | 8000 pg/mL                                                                     |
| Detection Range   | 125.00-8000 pg/mL                                                              |
| Synonyms          | Met-enkephalin; Opioid growth factor; OGF                                      |
| Storage/Stability | -20°C/1 year; 4°C/6 months                                                     |
