

## Human APP (Amyloid Precursor Protein) ELISA Kit

|                   |                                                                                                                                               |
|-------------------|-----------------------------------------------------------------------------------------------------------------------------------------------|
| Catalog No.       | 3017350                                                                                                                                       |
| Size              | 96 Tests                                                                                                                                      |
| Product Category  | ELISA (Quantitative)                                                                                                                          |
| Reactivity        | Human                                                                                                                                         |
| Sample Type       | Serum, Plasma, Cerebrospinal fluid & other biological fluids                                                                                  |
| Assay Method      | Sandwich                                                                                                                                      |
| Assay Duration    | 3.5 hours                                                                                                                                     |
| Sensitivity       | 30 pg/mL                                                                                                                                      |
| Standard          | 5000 pg/mL                                                                                                                                    |
| Detection Range   | 78.13-5000 pg/mL                                                                                                                              |
| Synonyms          | AAA; ABeta; ABPP; AD1; APPI; CVAP; PN2; CTFgamma; Peptidase Nexin-II Alzheimer Disease; Peptidase Nexin-II; Amyloid Beta(A4)Precursor Protein |
| Storage/Stability | -20°C/1 year; 4°C/6 months                                                                                                                    |
