

## Human BAP1 (Ubiquitin carboxyl-terminal hydrolase BAP1) ELISA Kit

|                   |                                                                                          |
|-------------------|------------------------------------------------------------------------------------------|
| Catalog No.       | 3085690                                                                                  |
| Size              | 96 Tests                                                                                 |
| Product Category  | ELISA (Quantitative)                                                                     |
| Reactivity        | Human                                                                                    |
| Sample Type       | Serum, Plasma & other biological fluids                                                  |
| Assay Method      | Sandwich                                                                                 |
| Assay Duration    | 3.5 hours                                                                                |
| Sensitivity       | 0.061 ng/mL                                                                              |
| Standard          | 10 ng/mL                                                                                 |
| Detection Range   | 0.16-10 ng/mL                                                                            |
| Synonyms          | BAP1; BRCA1 associated protein 1; Cerebral protein 6; HUCEP 13; hucep 6; KIAA0272; UCHL2 |
| Storage/Stability | -20°C/1 year; 4°C/6 months                                                               |
