

## Human BRCA1 (Breast Cancer Type 1 Susceptibility Protein) ELISA Kit

|                   |                                                                                                    |
|-------------------|----------------------------------------------------------------------------------------------------|
| Catalog No.       | 3005240                                                                                            |
| Size              | 96 Tests                                                                                           |
| Product Category  | ELISA (Quantitative)                                                                               |
| Reactivity        | Human                                                                                              |
| Sample Type       | Serum, Plasma, Tissue homogenates, Cell lysates, Cell culture supernates & other biological fluids |
| Assay Method      | Sandwich                                                                                           |
| Assay Duration    | 3.5 hours                                                                                          |
| Sensitivity       | 0.15 ng/mL                                                                                         |
| Standard          | 20 ng/mL                                                                                           |
| Detection Range   | 0.32-20 ng/mL                                                                                      |
| Synonyms          | BRCA1, BRCC1, BROVCA1, FANCS, IRIS, PNCA4, PPP1R53, PSCP, RNF53                                    |
| Storage/Stability | -20°C/1 year; 4°C/6 months                                                                         |
