

## Human DHEA-S (Dehydroepiandrosterone sulfate) ELISA Kit

|                   |                                                                                                   |
|-------------------|---------------------------------------------------------------------------------------------------|
| Catalog No.       | 3085730                                                                                           |
| Size              | 96 Tests                                                                                          |
| Product Category  | ELISA (Quantitative)                                                                              |
| Reactivity        | Human                                                                                             |
| Sample Type       | Serum, Plasma & other biological fluids                                                           |
| Assay Method      | Competitive Inhibition                                                                            |
| Assay Duration    | 2 hours                                                                                           |
| Sensitivity       | 4.44 ng/mL                                                                                        |
| Standard          | 400 ng/mL                                                                                         |
| Detection Range   | 6.25-400 ng/mL                                                                                    |
| Synonyms          | Androstenedione sulfate; Prasterone sulfate; Androst-5-en-3 $\beta$ -ol-17-one 3 $\beta$ -sulfate |
| Storage/Stability | -20°C/1 year; 4°C/6 months                                                                        |
