

## Human DNM1 (Dynamin 1) ELISA Kit

|                   |                                                                 |
|-------------------|-----------------------------------------------------------------|
| Catalog No.       | 3027100                                                         |
| Size              | 96 Tests                                                        |
| Product Category  | ELISA (Quantitative)                                            |
| Reactivity        | Human                                                           |
| Sample Type       | Tissue homogenates, Cell lysates & other biological fluids      |
| Assay Method      | Sandwich                                                        |
| Assay Duration    | 3.5 hours                                                       |
| Sensitivity       | 0.111 ng/mL                                                     |
| Standard          | 20 ng/mL                                                        |
| Detection Range   | 0.32-20 ng/mL                                                   |
| Synonyms          | B dynamin; D100; DNM 1; DNM; DNM1; Dynamin; Dynamin-1; Dynamin1 |
| Storage/Stability | -20°C/1 year; 4°C/6 months                                      |
