

## Canine OC (Osteocalcin) ELISA Kit

|                   |                                                                                                                      |
|-------------------|----------------------------------------------------------------------------------------------------------------------|
| Catalog No.       | 3076287                                                                                                              |
| Size              | 96 Tests                                                                                                             |
| Product Category  | ELISA (Quantitative)                                                                                                 |
| Reactivity        | Canine                                                                                                               |
| Sample Type       | Serum, Plasma, Tissue homogenates & other biological fluids                                                          |
| Assay Method      | Sandwich                                                                                                             |
| Assay Duration    | 3.5 hours                                                                                                            |
| Sensitivity       | 0.252 ng/mL                                                                                                          |
| Standard          | 40 ng/mL                                                                                                             |
| Detection Range   | 0.63-40 ng/mL                                                                                                        |
| Synonyms          | BGLAP; OT; BGP; Bone Gla Protein; Bone Gamma-Carboxyglutamate Protein; Gamma-carboxyglutamic acid-containing protein |
| Storage/Stability | -20°C/1 year; 4°C/6 months                                                                                           |
