

## 4.1R (phospho Tyr660) polyclonal antibody

|                       |                                                                                                                                                |
|-----------------------|------------------------------------------------------------------------------------------------------------------------------------------------|
| Catalog No.           | 4005122                                                                                                                                        |
| Size                  | 100uL / 50uL                                                                                                                                   |
| Product Category      | Primary Antibody                                                                                                                               |
| Immunogen             | The antiserum was produced against synthesized peptide derived from human EPB41 around the phosphorylation site of Tyr660/418 AA range:626-675 |
| Host                  | Rabbit                                                                                                                                         |
| Isotype               | IgG                                                                                                                                            |
| Clonality             | Polyclonal                                                                                                                                     |
| Reactivity            | Human; Mouse                                                                                                                                   |
| Application           | WB; IHC; ELISA                                                                                                                                 |
| Recommended Dilutions | WB: 1/500 - 1/2000; IHC: 1/100 - 1/300; ELISA: 1/5000                                                                                          |
| Concentration         | 1mg/mL                                                                                                                                         |
