

## AP4E1 polyclonal antibody

|                       |                                                                |
|-----------------------|----------------------------------------------------------------|
| Catalog No.           | 4018303                                                        |
| Size                  | 50uL / 100uL                                                   |
| Product Category      | Primary Antibody                                               |
| Immunogen             | Synthesized peptide derived from human AP4E1 AA range: 104-154 |
| Host                  | Rabbit                                                         |
| Isotype               | IgG                                                            |
| Clonality             | Polyclonal                                                     |
| Reactivity            | Human; Mouse                                                   |
| Application           | WB                                                             |
| Recommended Dilutions | WB 1:500-2000                                                  |
| Concentration         | 1mg/mL                                                         |
| Gene ID               | 23431                                                          |
| UniProt ID            | Q9UPM8                                                         |
| Storage/Stability     | -20°C/1 year                                                   |
