

## ATG2B polyclonal antibody

|                       |                                                                |
|-----------------------|----------------------------------------------------------------|
| Catalog No.           | 4019935                                                        |
| Size                  | 50uL / 100uL                                                   |
| Product Category      | Primary Antibody                                               |
| Immunogen             | Synthesized peptide derived from human ATG2B AA range: 266-316 |
| Host                  | Rabbit                                                         |
| Isotype               | IgG                                                            |
| Clonality             | Polyclonal                                                     |
| Reactivity            | Human; Mouse                                                   |
| Application           | WB                                                             |
| Recommended Dilutions | WB 1:1000-2000                                                 |
| Concentration         | 1mg/mL                                                         |
| Gene ID               | 55102                                                          |
| UniProt ID            | Q96BY7                                                         |
| Storage/Stability     | -20°C/1 year                                                   |
