

## ATP5F1 polyclonal antibody

|                       |                                                                 |
|-----------------------|-----------------------------------------------------------------|
| Catalog No.           | 4006526                                                         |
| Size                  | 50uL / 100uL                                                    |
| Product Category      | Primary Antibody                                                |
| Immunogen             | Synthesized peptide derived from ATP5F1 at AA range:<br>130-210 |
| Host                  | Rabbit                                                          |
| Isotype               | IgG                                                             |
| Clonality             | Polyclonal                                                      |
| Reactivity            | Human; Mouse; Rat                                               |
| Application           | WB; ELISA                                                       |
| Recommended Dilutions | WB: 1/500 - 1/2000; ELISA: 1/10000                              |
| Concentration         | 1mg/mL                                                          |
| Mol. Weight           | 28kD                                                            |
| Gene ID               | 515                                                             |
| UniProt ID            | P24539                                                          |
| Synonyms              | ATP5F1; ATP synthase subunit b; mitochondrial; ATPase subunit b |
| Storage/Stability     | -20°C/1 year                                                    |
