

## ATP7A polyclonal antibody

| Catalog No.           | 4006626                                                                                          |
|-----------------------|--------------------------------------------------------------------------------------------------|
| Size                  | 50uL / 100uL                                                                                     |
| Product Category      | Primary Antibody                                                                                 |
| Immunogen             | The antiserum was produced against synthesized peptide derived from human ATP7A AA range:591-640 |
| Host                  | Rabbit                                                                                           |
| Isotype               | IgG                                                                                              |
| Clonality             | Polyclonal                                                                                       |
| Reactivity            | Human; Mouse; Rat                                                                                |
| Application           | IHC; IF; ELISA                                                                                   |
| Recommended Dilutions | IHC: 1/100 - 1/300; ELISA: 1/40000                                                               |
| Concentration         | 1mg/mL                                                                                           |
| Gene ID               | 538                                                                                              |
| UniProt ID            | Q04656                                                                                           |
| Synonyms              | ATP7A; MC1; MNK; Copper-transporting ATPase 1; Copper pump 1; Menkes disease-associated protein  |
| Storage/Stability     | -20°C/1 year                                                                                     |
